

CLERK: Legislative Bill 416. Introduced by Senator Lewis of the 28th district. (read) There are committee amendments by Senator Kennedy's Public Health Committee.

SENATOR R. LEWIS: Well, Mr. President and Members of the body. May I be permitted to handle the committee amendments?

PRESIDENT: Certainly.

SENATOR R. LEWIS: Now the, the committee amendments were merely a refinement of some of the wording and since that time I have taken the
